OPERATION MANUAL

GOOGLE NEST MINI CONNECTION

Treasure Business Technology Development Ltd

1. Plug in your Google Nest Mini

Plug in your Google Nest Mini. The device will light up and play a chime, indicating you can go to the next step.

2. Download Google Home App

Download the Google Home app from the Apple App Store or Google Play Store and open the app. Make sure your mobile device is connected to the same Wi-Fi network you'll use for your Google Nest Mini.

Figure 1: Google Home App

Google Play Store

Apple App Store

3. Begin Connection

Tap < Get Started > in the app to begin.

Figure 2: Get Started

4. Login Google Account

Confirm which Google account you want to link, and tap < **OK** >. Select which account you want to use and hit < **OK** >.

Figure 3: Login Google Account

5. Choose a Home

Choose < **Home** > or < **Create another home** > if you're setting up in an alternate location, like an office, and tap < **Next** >.

6. Find Devices

The app will then automatically start looking for devices. When it finds the correct device, tap < Next >.

Figure 5: Find Devices

7. Test Connection

To test that the connection was successful, your Google device will make a sound. Tap < Yes > in the Google Home app when you hear it. If you don't hear the sound, tap < Try Again > to ensure your setup is successful.

Figure 6: Test Connection

8. Send Crash Reports Options

On the next screen, you can opt in or opt out of sending crash reports to Google for your device. Choose < Yes, I'm in > or < No thanks > to continue.

Figure 7: Send Crash Reports Options

9. Choose Location

Choose a location for your Google Nest Mini, then tap < Next >.
